

# Playing for Change

**Saturday, September 23, 1-3 p.m. • Bellevue Public Library**

Join us for a new Photo exhibit of friendships across cultures and participate in interactive activities that provide an opportunity to meet, engage, and strike up a conversation with people from our diverse community. This family friendly event is part of Welcoming Week festivities and will include art based projects as a vehicle to better get to know your neighbor. Playing for Change is sponsored by the Bellevue Public Library, Bellevue Diversity Advisory Network and the City of Bellevue.

If you have additional questions, please feel free to contact Mark Manuel at [mmanuel@bellevuewa.gov](mailto:mmanuel@bellevuewa.gov) or 425-452-7886.
